Report of Alumnae Speak

On February 1, 2022 the department of Sociology organised “Alumnae Speak”, an event in online mode which provided the first semester students of the department of sociology an occasion to interact with four alumnae who are at present pursuing their post -graduation in Sociology at Pondicherry Central University, University of Calcutta, Jadavpur University and St. Xavier’s College, Kolkata. The alumnae speakers shared their academic, extra-curricular and peer experiences at under-graduate level, their preparation and transition into post -graduation and experiences in their current institutions with the students of semester I. This was followed by an open question-answer session, where semester I students raised questions about how to utilise their three years at South Calcutta Girls’ College, how to skill themselves for transition into post- graduation and how to strike a balance between enjoying their time in college with serious academic learning. At the end of the session semester, I students shared that they felt positive and looked forward to the three years ahead. They also shared that they’d like the department to organise more such events.
