

South Calcutta Girls' College

5.4.1 There is a registered Alumni Association that contributes significantly to the development of the institution through financial and/or other support services.

ALUMNI ASSOCIATION

For almost nine decades, South Calcutta Girls' College stands tall at the heart of Calcutta. Our college not only focuses on the education of the students but also provides them a platform to express themselves through various art forms. The departments maintain a strong bonding with the pass-out students and try to involve them in various events organised by the alumni association. This is important for the students as it has become a medium of expression for them.

Background:

The name of the Alumni Association of South Calcutta Girls' College is "Prayas". It is a registered Association(Registration Number 61711 of 2016- 2017). The association actively tries to contact with the Ex Students and also organizes meetings and activities. Our college actively encourages students to get involved in cultural activities as cultural activities influence a new awakening in the society.

The present Principal has further strengthened this association financially with her innovative ideas.

The college has a long list of eminent personalities who are alumnae of this college. Many are involved in the creative field and others are in various prominent organisations all across India and abroad. Some are legislators of the country, some are teachers and professors. Some Popular singers like late Pratima Barua, late Maya Sen, Sheema Chaudhary are the alumnae of this college.

Ever since the formal establishment of the association, the ex-students gained a sense of encouragement and conducted *several activities* which are as follows:

- The association regularly holds social awareness programmes like tree plantation drives and initiatives to educate the society about the environment. The alumni organizes donation drives for the needy and drive to collect old clothes for them.
- The association organizes exhibitions and events, where many ex-students display clothes from their boutiques and sell them. They contribute a part of their proceeds for the development of the college.
- When the second wave of COVID 19 turned out to be an ocean of disaster on the invaluable lives of the Indians, Prayas, the alumni association of South Calcutta Girls' College, came forward to help in their own ways.
- During the cyclone AMPHAN, the alumni members arranged relief for the disaster victims.
