REPORT

The departmental 'wall magazine' 2022-23 was inaugurated (vide Notice no. 0472/2022-23 dated 23.05.2023) by our honourable Principal Madam on 26.05.2023. Students from the department actively participated in making the magazine. The wall magazine has been created based on two relevant topics:

- i) Ambedkar on Casteism
- ii) India at 75

These very themes of the wall magazine were chosen to pay homage to B.R Ambedkar and also to express gratitude to the Azadi Ka Amrit Mahotsav.

Date: 03.06.2022

REPORT

The Department of Botany along with the Eco Club organized an 'Awareness Programme' themed 'Only One Earth' on 05.06.2022 to celebrate the World Environment Day 2022. The program comprised two lecture sessions, one by Dr. Ahinsuk Barua, Assistant Professor and H.O.D. of Botany, South Calcutta Girls' College and the other by Dr. Sitaram Prasad Panda, Curator of Acharya Jagadish Chandra Bose Indian Botanic Garden, Botanical Survey of India, Shibpur, Howrah. The title of Dr. Barua's lecture was "Gems In Our Backyard- Floral Account of South Calcutta Girls' College Campus" while the title of Dr. Panda's lecture was "Socio-economic Importance of Orchids". The event was patronised by our honourable Principal, Prof. Dr. Aparna De and participated by approximately 73 participants. The entire program was conducted on the online platform organised by the college.

Speaker: Dr. Sitaram Prasad Panda

Dr. Panda obtained his M.Sc Life Science degree from Berhampur University of Odisha in 2002 and M.Phil. and Ph.D. degrees from Utkal University, Bhubaneswar, Odisha in 2004 and 2010 respectively. He has been working in the field of floristics and ethnobotany for the last two decades. Presently he is working as a Scientist 'C' and Garden Curator-in-charge in AJC Bose Indian Botanic Garden, Botanical Survey of India, Howrah. Dr. Panda is actively engaged in garden development and maintenance works as well as carried out collection and ex-situ conservation of Endemic, Endangered and Threatened (EET) Plants of the country. Previous to this, he had surveyed major forest rich areas of Eastern Ghats including Odisha for collection, identification and germplasm conservation of wild edible fruits and orchids and carried out their quantitative assessment. Vast experience in collection, identification and preservation of aquatic plants including mangroves and their associates of Odisha. Besides, compiled the aquatic flora of the largest fresh water lake of the state, Ansupa. Worked in all the major mangrove chunks of Odisha. Collected, identified, preserved (as herbarium samples) and conserved the germplasm of wild orchids of Eastern Ghats of India. Collected around 110 species of wild orchids from different forest areas of India and maintained their germplasm in the orchidarium of RPRC, Bhubaneswar. Worked as a herbarium keeper in the ICZM Project Odisha, under the State Wildlife Organisation of Odisha in the O/o PCCF (WL) and Chief WL Warden Odisha funded by World Bank and Ministry of Environment & Forests, Government of India, New Delhi from 2012 to 2014. Pursued taxonomy-based research works like field survey, collection, identification and preservation of Angio spermic plants of Odisha coast in general and mangroves in particular. Prepared herbarium specimen of mangroves and developed of a small herbarium of plants of Bhitarkanika Wildlife Sanctuary in general and mangroves occurred there in particular. Worked as a Project Co-ordinator in Odisha Biodiversity Board under the Odisha Forest Department, Government of Odisha from 2014 to 2015 (31st April). Undertook the Biodiversity Management Committee (BMC) preparation work as well as preparation of Peoples Biodiversity Register (PBR). Arranged several training programmes in different part of Odisha for the frontline staff of Forest Department and BMC members on Biodiversity Act, 2002 and Rule 2004. Besides looked after all the official administrative works. He has published more than 70 research papers on national and international repute and authored 03 books. He has attended number of National and international symposiums and presented papers. He has made several new distributional records for states as well as for India.

REPORT

On account of celebrating World Environment Day 2022, the ECO Club of South Calcutta Girls' College took the initiative to organize a Tree plantation program within the college campus. The main motive behind this program was 'Reinforcing Greenery on Campus'. The event was held on 3rd June 2022 on the college campus. Around 42 members including students and faculties participated in this program. The whole event was guided and led forward by our respected principal madam Dr. Aparna De, whose active participation was a motivation for all of us. The program started at 1 PM with a Tree Plantation program in the college backyard. Our respected principal madam initiated the event by planting tree saplings followed by the faculties and students of the college. The plantation program was followed by a cultural program creating awareness about the importance of the Green Campus, which was held in the college auditorium. By supporting World Environment Day 2022 and the theme 'Only One Earth' campaign, students and faculty members took this small initiative to spread awareness about the importance of Greenery not only on the campus but also in the environment we live in.
