

South Calcutta Girls' College

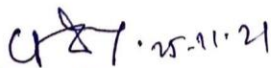

METRIC POINT: 7.1.1

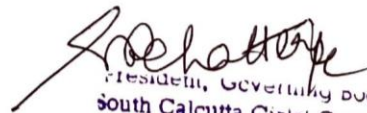

GENDER SENSITIZATION ACTION PLAN

It has been our focus to nurture young women with quality education who will be able to make choices for themselves and engage in meaningful work. Access to higher education is essential for bringing about social transformation. It is a matter of pride that some of our students are the first in their families to study in an institution of higher education. Our College is committed to provide an academic environment for teaching and non-teaching staff that is fair and just and devoid of discrimination and prejudice.

To achieve this objective, it is proposed:

- Safety and security will be strengthened on the campus.
- Departments and Clubs will organise conduct events on the theme of gender related issues which may be related to the curriculum.
- Seminars and invitational lectures will be conducted aiming at their intellectual upliftment.
- Departments and Clubs will conduct programmes on socially relevant issues with emphasis on the values of equality, inclusivity and respect for human dignity of all.
- Women's Day will be celebrated every year.
- Self-defence training will be organised.
- Activities will be organised for raising awareness about health and mental well-being.
- Workshops will be organised for providing hands on vocational skills.
- Mentoring system will be adopted.
