**History Department**  
**Virtual tours in 2020-21**

In Semester III History Hons SEC A1 course, visit to museums and archives is an integral part of the course. A virtual tour of the Indian Museum, Kolkata and the National Museum, New Delhi was organised in class. Students are required to write a report on the tour in their theory examination.

In Semester IV History Hons, SEC B2 course on Art Appreciation, exposure to Indian art through visuals, and visits to sites and museums has been recommended. Virtual tours of important heritage sites, such as the Sanchi Stupa, Ajanta Caves, temples of the Gupta period, the Red Fort, Humayun's tomb, Fatehpur Sikri were arranged. Documentaries on sculpture and paintings of the modern era were shown to the students in class. These helped them to get an overview of the monuments and develop an understanding of the art forms and architectural details.

Eco Club of South Calcutta Girls College organized an Intra -College PowerPoint Presentation among the students of the various departments with the encouragement and guidance of our respected principal Dr Aparna Dey.

**THEME: Environmental Impact of a Pandemic: COVID 19**

**DATE: 5<sup>TH</sup> JUNE, at 1p.m.**

The program was inaugurated in the presence of our Honorable Principal Madam Dr Aparna Dey and IQAC coordinator Dr. Rehana Khatoon. Our honorable IQAC coordinator in her opening speech highlighted the inter-relationship of Environment and Human Ethics. The Eco club convenor Dr Banibrata Das made the opening speech highlighting the importance and need for celebration of World Environment Day. The response among the students was extremely positive with a large number of participations among various departments both among Science and Humanities.

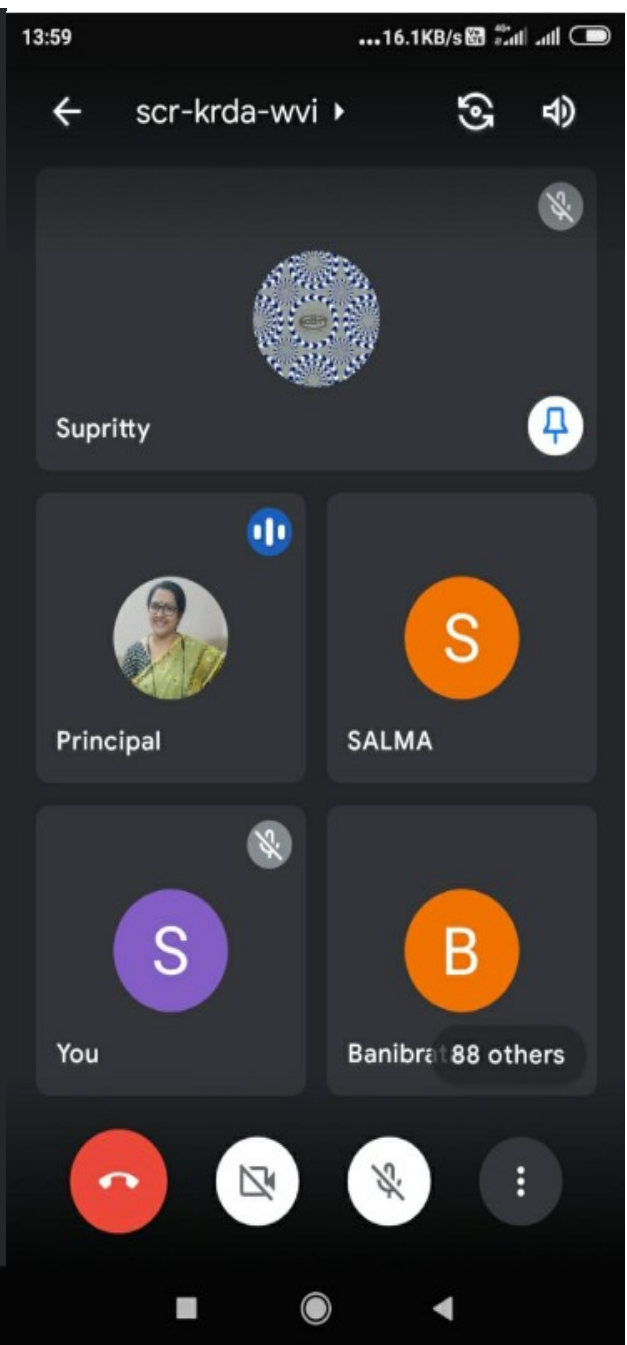

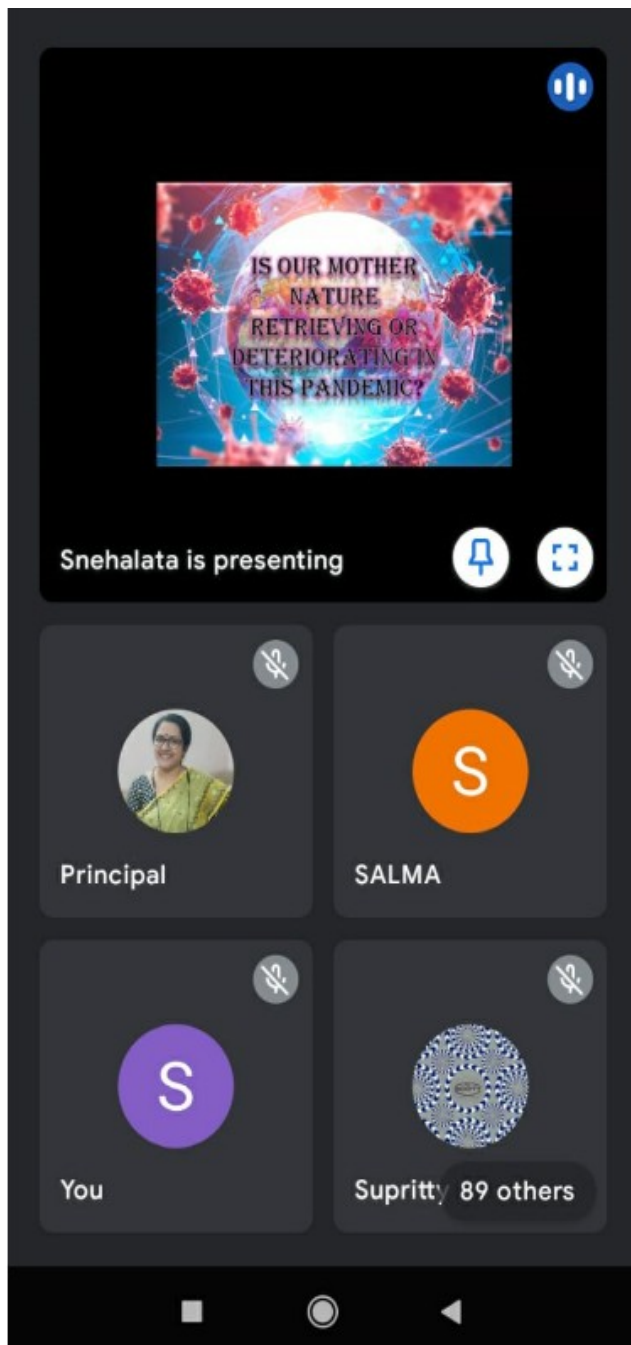

Total number of participants: 22

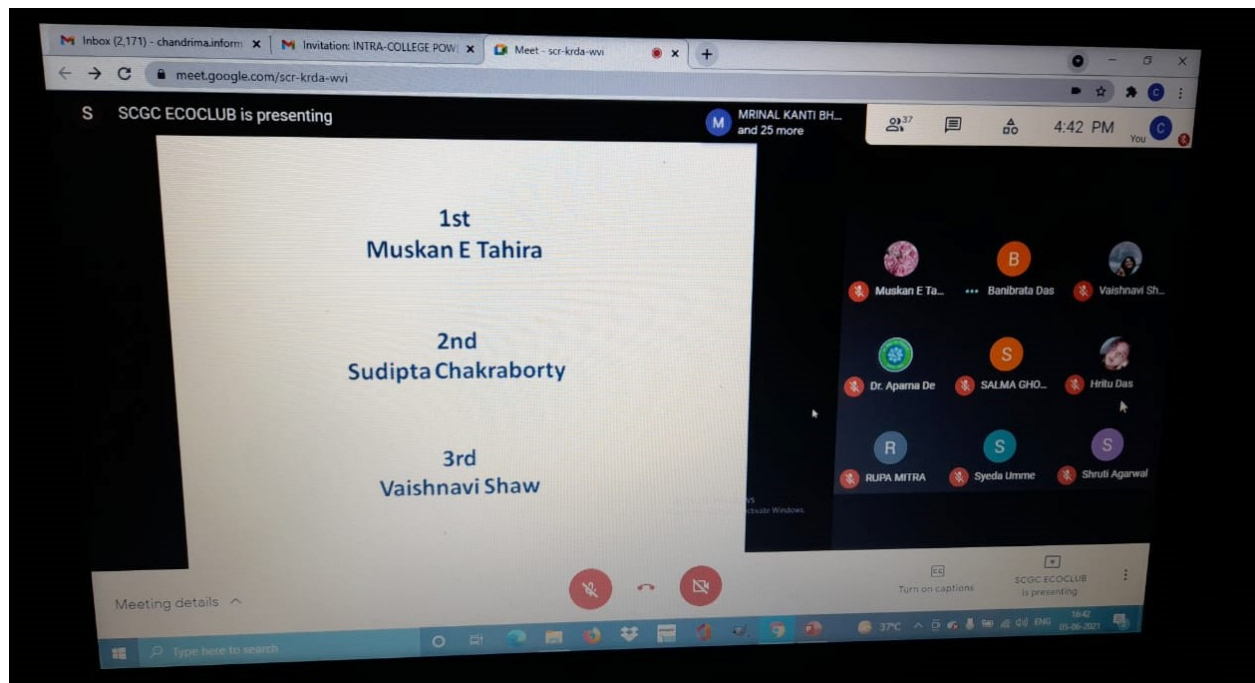

Each participant was encouraged to not only submit the power point on the given topic but also was allowed to voice her opinion and thoughts on the topic. Each participant presented her power point in front of the viewers and also the faculty members of the college in the given social platform. The program was attended by 90 viewers. Panel of judges among the members of the Eco club judged the student's performance on the quality of the power point preparation and clarity in expressing the thoughts on the topic. Among them, 3 participants were selected by our respected judges for best preparation of power point and presenting the topic and results were declared in the end of the program.

The World Environment Day is run by the United Nations Environment Program (UNEP), since the year 1973 and over 100 countries celebrate this day in various ways. In this period of pandemic and new normal age our students have been able to create and spread awareness about the conservation of our environment and its various aspects in a holistic way through this program. The program was coordinated by members of the Eco club and ended with a vote of thanks by the joint conveners of Eco Club Prof. Rupa Mitra to all the stakeholders.

## WORLD OCEAN DAY CELEBRATION

- World ocean day was observed on the 8<sup>th</sup> of June 2021 by the Geography department of South Calcutta Girls' College through Google meet. It was inter departmental programme and 32 students participated in this programme through poster and power point presentations and they came up with some relevant topics. They performed their own best way possible with lots of enthusiasm and research work. The great initiative taken by our respected Principal Madam, all the departments and the students as well-made this event successful.
